ORDINARY TIME**

Jesus said to the Pharisees,

*"Repay to Caesar what belongs to Caesar
and to God what belongs to God."*

Matthew 22:21

October 25, 2020 • Thirtieth Sunday in Ordinary Time

Jesus said,

*"You shall love the Lord,
your God,
with all your heart . . .*

*You shall love your neighbor as yourself.
The whole law and the prophets depend
on these two commandments."*

Matthew 22:37-39

ADVANCE MEDICAL DIRECTIVES: PLANNING FOR YOUR FUTURE

Rosa* knew from experience the difficulties and expenses of watching a loved one die. She was totally devoted to her husband as he suffered and died from cancer eight years earlier. The idea of high medical bills, “tubes” and pain upset her, and even though she had not viewed her husband as a burden, she feared being one to her family.

Then, Rosa was hospitalized with a terrible urinary tract infection which made her dehydrated, weak and confused. Her daughter Teresa had been appointed as her health care agent. Teresa met with the medical staff, who helped her understand that the proposed treatments would not cause an undue burden to her mother. In fact, they would be temporary and appropriate care in Rosa’s situation. Teresa was grateful that the medications, nutrition and hydration that Rosa was given, all through “tubes,” cured her infection. Rosa is now as active as she has ever been and realizes that there are certain situations that can’t be anticipated when illness comes. It’s best not to refuse future care that may turn out to be very welcome.

Human life is good and to be protected. All medical decisions ought to reflect this core belief. Yet black-and-white answers to our questions about end-of-life issues are not always possible, and it can be very difficult to know how to make medical decisions. Each and every human person is distinct and unrepeatable, and each medical situation may be unique. In each set of circumstances we need to judge whether a given treatment will provide real benefit to the patient, without causing harm or other burdens that are out of proportion to the good being done.

We should each be prepared for those difficult situations when medical decisions must be made. We can safeguard our Catholic values by appointing a responsible and trustworthy person now to make decisions for us, in the event that we are incapable of doing so, either physically or mentally. It is important to be aware of the different legal or medical documents that are available or are often used to define a patient’s care. Depending on how they are crafted, some documents can be counter to Catholic morality and more harmful than we might realize.

The safest option is to designate a health care agent who not only understands our Catholic values but also shares them and can apply them to current situations and respond to questions as they arise. This person, usually a close family member or friend, acts as a proxy decision maker if the patient is not able to make his or her own decisions. In choosing an agent or proxy, a person can declare in writing that all treatment and care decisions made on their behalf must be consistent with and not contradict the moral teachings of the Catholic Church.

Less flexible is a living will, which simply lists treatment options or care that the patient wishes to accept or reject. No matter how well-crafted, such a document can never predict all the possible problems that may occur at a later time or anticipate all future treatment options. A living will can be misinterpreted by medical providers who might not understand the patient’s wishes.

Some states and healthcare systems have been implementing a troubling document known as a “Physician Order for Life-Sustaining Treatment,” also called by a confusing array of acronyms (POLST, MOST, MOLST, or POST). The POLST document is filled out by a doctor or other medical professional to define treatments to be withheld or administered in a future situation. It has been criticized for placing more power in the hands of physicians than in patients’ hands. Indeed, in some cases the patient need not even sign the document. Once signed by the physician, it becomes a doctor’s order to other medical staff, and may override the patient’s own past advance directives and even the patient’s appointment of a health care agent. It may be applied to patients who are not in a terminal situation and who might only need antibiotics, nutrition and hydration, or other proportionate care. Yet a POLST document signed months or years before, stating that the patient should not receive antibiotics, could still be followed even if the patient, like Rosa, faced a simple urinary tract infection which is easily cleared up by antibiotics.

Of course there are times when failing health is not so easily remedied as in Rosa’s case. In some situations, procedures are appropriately refused. One should consider the benefits and burdens of a prospective procedure and conscientiously judge whether or not to accept it. However, because of the inherent dignity of the person and our moral obligation to protect each human life, our Church teaches that we should take reasonable steps to preserve life and should never withhold or administer treatment with the intention of ending the life of the person.

It is incredibly difficult to see someone we love suffering, and it is natural for us to want to alleviate their hardship. Additionally, we live in a culture that places value on productivity and prefers to get rid of what is deemed useless. Some people therefore support measures that, at first, might seem like a compassionate response, but in fact are not. Advocates for legalizing assisted suicide and euthanasia promote the illusion that we can “help” those in need by killing them or assisting them in killing themselves. However, this response ignores the person’s true needs and does not respect their dignity. Each person deserves real solutions and support when facing physical, emotional and spiritual challenges. Cutting someone’s life short before their time deprives them of unknown opportunities for God’s grace to work in their life.

Respect Life

ADVANCE MEDICAL DIRECTIVES: PLANNING FOR YOUR FUTURE (Continued)

God's infinite love for each one of us helps us to grasp our identity and our worth. The recognition of this dignity leads us to respect and protect each person's life, including our own, and ought to be at the core of whatever medical decisions we make. Let us place our trust in the Lord and ask for his continuous guidance, for these decisions and for all those we face in our lives.

**The story of Rosa and Teresa (their names are changed for their privacy) is just one example of how important it is to reflect in advance on how we would want decisions made on our behalf if we cannot speak for ourselves. A Special Invitation from the Consolation Ministry

We will be remembering in a special way the deceased members of our parish family during the Masses of November 7th & 8th. All who wish to remember a deceased loved one are encouraged to join us in the Memorial Celebration. Please come.

Book of Life

During the month of November and every First Friday during the year, we will be remembering in a special way our deceased friends and relatives. We will continue to add to the list in the BOOK OF LIFE all the parishioners who have died during the past year. If you wish to inscribe a page for your family, we will type the names you put in the BOOK OF LIFE envelopes, or your ALL SOULS DAY envelopes. The Book will be given a place of honor.

Prayer & Worship

Prayer for Hope Service Friday, October 30th—11 a.m. to Noon

Please save the date: **Friday, October 30 from 11 a.m. to noon.** Usually, there is Eucharistic Adoration during that time, but because there are so many things for which to pray (our world, our country, especially with elections and the unrest happening, the pandemic...), and October is the month dedicated to the Rosary, we will have "Prayer for Hope". There will still be Eucharistic Adoration, but the Rosary with special prayers will be offered. It will be live-streamed as well. Please join us!

**MEN'S RETREAT – OCT. 24, 2020 9AM TO 3 PM
OUR LADY OF HOPE**

A Call to Missionary Discipleship: Our intent for this year's retreat is to inspire the men of our northwest-side parishes to answer the call to renew their relationship with Christ and understand why the new evangelization popularized by St. John Paul II is an essential element of the Church's mission. In addition to thought provoking presentations by our speakers, the program will include Mass and Eucharistic Adoration. Coffee and pastries will be available in the morning, and lunch will be provided. A donation of \$25 is requested from those attendees who can afford to do so. To **reserve your spot**, register for the retreat by emailing your name and contact information to kofcmaria4836@gmail.com.

The Knights of Columbus will be selling Tootsie Rolls on Oct. 24/25 after all Masses. The Knights of Columbus not only conducts the "Tootsie Roll Drives" in their efforts to help people with intellectual and physical disabilities, but has also partnered with the Special Olympics since its founding along with other programs.

Reopening Team

We are always in need of volunteers for the Reopening Team. The group has been so dedicated through these last few months that many haven't had a weekend off. Please consider helping out. It would be great if families might consider helping at a Mass. If you're coming to Mass anyway, why not help out? Please contact Colleen (cortega@ourladyofhopechurch.com).

Liturgical Odds & Ends

Many **thanks** for your continued support and patience as we move forward with Masses this fall. Although we're still not back to a regular schedule, we're inching toward that goal. Thank you for following the guidelines set by the Archdiocese. We have been extra vigilant of late, as we encounter Fall and the challenges with not only Covid19 but with the flu, too. **Thank you for wearing your masks, for sanitizing your hands, and keeping socially distant.** Our weekend Masses are verging on full - please be sure to **register online or call the office before the end of office hours on Friday.** If you leave a message for a reservation on Saturday, there's a good chance it won't be heard until Monday. You've probably noted that online reservations end 24 hours before the event. Thank you!

Our **Ministers of Care** have been burning up telephone lines during this time of pandemic trying to keep the homebound of our parish connected. **Special thanks to: Peg Brzezinski, Terri Kaisling, Dorothy Larson, Mary Ann Nicholson, DD Lyons, Jane Thompson and Mary Witt.**

Ron Kukulka faithfully led the group for years and decided this past July to resign as head of the group. We are grateful for his dedicated ministry and all he has done to create family here at Our Lady of Hope. Thank you, Ron!

Many thanks to **Mary Witt** for helping to lead the group now.

If you feel a little zing in your spiritual step, know that our **homebound** are praying for our community! Our very own group of "**prayer warriors**" will be keeping all of us in their thoughts and prayers - how necessary during this crazy time!

Parish Life & Parish Events

Our Lady of Hope Candidates to Be Confirmed November 7th.

With the advent of Covid-19, the entire Confirmation program for this year was radically adjusted. No in person meetings and all the field experiences were cancelled. The Candidates were given a series of videos, from Cardinal Cupich and Bishop Robert Barron, to watch and comment on the content. Volunteer hours were still required, however, in house hours for special projects were considered and signed off by the parents. All wrote papers about the Saint name they selected. Those will be posted in the Narthex the weekend of Confirmation.

All the Candidates and a parent or their sponsor will also attend a short Reconciliation Service and a verbal walk-through of the Confirmation Liturgy on Friday, November 6th at 6:30 p.m.

There will be two Confirmation Liturgies on November 7th. One at 10:00 a.m. and one at 1:00 p.m. Each Candidate will be allowed 8 people including the Candidate and their Sponsor. This to conform with the Covid-19 restrictions as required by the State of Illinois. The Cardinal has given permission for the Pastors to confirm this year. Though the changes are many, the Spirit will still be present, and the Candidates will become fully initiated into the faith. Please keep these young adults in your prayers.

Donate Virtually Save Lives Actually

Since its founding in 1984, the Women's Centers of Greater Chicagoland has saved over 40,000 babies from abortion. Throughout the current COVID-19 crisis, they have continued to provide counseling and support for women considering abortion.

This Respect Life Month, the Women's Centers needs your help more than ever. Each year, the Baby Bottle Project has been the major fundraising effort. With Mass attendance restricted, the traditional distribution of physical Baby Bottles will be limited.

Because of these uncertain times, we are inaugurating a Virtual Baby Bottle Project. You can make your donation at www.gotwc.org.

Be sure to note you are from Our Lady of Hope so that we can thank the entire community for their generosity.

We need you help!

As you know, the coronavirus pandemic has created a greater need where more people are unable to provide food for their families. Again, this year we will have a Food Drive during the month of November to help prepare the Thanksgiving Baskets. Some items needed are turkeys, canned meats, ham, chicken, cranberry sauce, spaghetti sauce, diced tomatoes, peanut butter, jelly, gravy, stuffing, or canned sweet potatoes.

If you or someone you know needs a food basket, please call the office or email a note to office@ourladyofhopechurch.com.

We also need a couple of volunteers to assist with the distribution of food baskets. If you are interested in volunteering, please call the office for more details. Thank you!

Annual Mass Supporting People with Mental Illnesses, Families, Friends, and Mental Healthcare Providers

In these unprecedented times, mental health is in the forefront of our concerns. We know our faith is a key part of our being well. Whether you, a family member, or a friend are experiencing mental health conditions for the first time or for a long time, the annual mass is a time for all to pray together and share our similar journeys. We will gather this year on **October 25th, at 2:00 pm on Zoom**. There will be opening comments from Cardinal Cupich, we will celebrate mass, and then have an opportunity for casual conversations in Zoom breakout rooms.

Memorial Candles

Those who light them usually say a prayer over one candle at a time, and by keeping these individual candles lit for extended periods of time, the individual prayer is believed to be prolonged and amplified along with the intentions of other believers' prayers. Lighting a candle is a symbolic way to honor someone's life and mourn their death. These candles burn for 6 days. You can purchase the candle in the Parish Office for \$5.00.
